### **GOODWILL DELEGATIONS**

The Parliamentarians of a country play a significant role in determining the policy of the country and strengthening of relations with other countries. More particularly, it is indeed useful and necessary for a democratic and developing country like India to select some Members of Parliament and distinguished personalities and utilize their services in projecting our policies, programme and achievement in different fields with their counterparts and other opinion makers in other countries and secure their support in favour of India.

With these objectives in view the Ministry of Parliamentary Affairs sponsors Government Goodwill Delegation of Members of Parliament to other countries and receives similar Government sponsored delegations of parliamentarians under the exchange programme from other countries through the Ministry of External Affairs.

After Shri Ananthkumar, assumed office as Minister of Parliamentary Affairs one Indian Goodwill Delegation of Parliamentarians had visited Portugal & Spain during 16<sup>th</sup> to 23<sup>rd</sup> October, 2016 under his leadership. ## IMPLEMENTATION OF GOVERNMENT ASSURANCES

During the course of reply given to a question or a discussion in the House, if a minister gives an undertaking which involves further action on the part of the government in reporting back to the House, it is called an 'Assurance'. The information relating to assurances and their fulfillment is as under:-

Assurance status	Culled out during last one year	laid during last one year
Lok Sabha	1223	1164*
Rajya Sabha	738	772*

\*These figures include some of the assurances relating to previous year also but laid during last one year.

Further, to strengthen the monitoring and ensuring early implementation of assurances, a software application named as 'Online Assurances Monitoring (OAM)' has been developed by the Ministry. This OAM application integrated with e-Office, would be launched by the Ministry shortly on the occasion of ensuing Independence Day. The rolling out of OAM will ensure that all the Reports fulfilling the Assurances are available online to public, entire communication relating to assurances amongst Parliament Secretariat, Ministry of Parliamentary Affairs and all other Ministries/ Departments is online and paperless and early fulfilment of the assurances thereby would reduce the overall pendency of assurances given by the Ministers in the Houses.
