But in an election year, **Statement containing in brief the activities** of the Ministry/Department for the preceding calendar year is presented before the House to take up the Vote on Account and other essential Government Business in both Hindi and English versions in terms of the Official Language Act, 1963.

In such a year, the annual report should contain information regarding the activities of the department from the 1 January of the preceding year till 31 March of the year in which Vote on Account is taken and the prescribed number of copies thereof (as in para 7.2.4) should be sent to various authorities after presentation of General Budget.”

3 As mentioned in para 2 above, **an Interim Budget**, in all likelihood, would be presented before the Lok Sabha during the next session (which may be convened during the month of **January, 2019**).
