### INTRODUCTION AND ORGANISATIONAL SET UP

### **Introduction:**

- I.I In a Parliamentary form of Government, the day-to-day working of the Parliamentary System depends on coordinated efforts of Ministry of Parliamentary Affairs with all Ministries/Departments. Parliamentary programme covers numerous intricate matters financial, legislative and non-legislative relating to various Ministries/Departments of the Government. The task of efficiently handling diverse parliamentary work on behalf of the Government, in the Parliament, has been assigned to the Ministry of Parliamentary Affairs. As such, the Ministry serves as an important link between the two Houses of Parliament on the one hand and the Government on the other in respect of Government Business in Parliament. Created in May, 1949, as a Department, it soon became a full-fledged Ministry with the allotment of more responsibilities and functions.
- 1.2 The functions allocated to the Ministry under the Government of India (Allocation of Business) Rules, 1961, framed under Article 77(3) of the Constitution of India are in **Appendix-1**.
- 1.3 The Ministry renders secretarial assistance to the Cabinet Committee on Parliamentary Affairs, which watches the progress of Government Business in Parliament and gives directions as may be necessary for the smooth and efficient conduct of such business besides recommending dates of summoning and prorogation of both the Houses of the Parliament and approving the Government's Stand on Private Member's Bills and Resolutions.
- I.4 The Ministry keeps close contact with the Ministries/Department of the Government in respect of Bills pending in Parliament, new Bills to be introduced and Bills to replace Ordinances. The Ministry keeps watch over the progress of Bills in both Houses of Parliament. In order to ensure smooth passage of Bills in Parliament, officials of the Ministry remain in constant touch with the officials of Ministries/Departments sponsoring the Bills and Ministry of Law and Justice which drafts the Bills.
- 1.5 The Ministry constitutes Consultative Committees of Members of Parliament and makes arrangements for holding their meetings both during the session and inter-session periods. Presently, there are 35 Consultative Committees attached to various Ministries. The guidelines regarding the Constitution, Functions and Procedures of these committees have been formulated by this Ministry with the approval of Cabinet. The Ministry also nominates Members of Parliament as and when required, on the Commissions, Committees, Bodies etc set up by the Government.
- 1.6 The Ministry pursues with the other Ministries for prompt and proper implementation of assurances given by the Ministers in Parliament.
- 1.7 The Ministry of Parliamentary Affairs looks after the welfare of Members of Parliament. The Minister of Parliamentary Affairs nominates Members of Parliament on various government delegations visiting abroad.
- I.8 With a view to strengthening the roots of democracy and inculcating the habits of discipline and tolerance and for enabling the student community to have intimate knowledge of the working of Parliament, the Ministry conducts Youth Parliament Competitions in the schools of the Government of National Capital Territory of Delhi, Kendriya Vidyalayas, Jawahar Navodaya Vidyalayas and Universities/Colleges all over the country.

- 1.9 Parliamentarians in any country contribute to the shaping of foreign policy and relations with other countries. In the present international scenario, it is necessary and useful for the Government to utilize the expertise and services of Members of Parliament effectively for sensitizing and winning over the support of their counterparts in other countries, by explaining our policies, achievements, problems and future visions in various areas. With this objective in view, the Ministry of Parliamentary Affairs sponsors government delegations of Members of Parliament to other countries and also organizes the visits of Government sponsored delegation of MPs from other countries to India.
- 1.10 For proper implementation of the Official Language Policy and provisions of the Official Language Act, 1963 and Rules made thereunder and for translation work, there is a Hindi Section in the Ministry.

### **Provisions Regarding Ordinance**

According to Article 123, if at any time (except when both Houses of Parliament are in session), the President is satisfied that circumstances exist which render it necessary for him to take immediate action, the President may promulgate an Ordinance as the circumstances appear to him to require. Such Ordinances shall have the same force and effect as an Act of Parliament but they should not contain any provision which the Parliament would not under the Constitution, be competent to enact. The said Article further stipulates laying of Ordinances before both Houses of Parliament. Provision also exists for moving Statutory Resolutions seeking their disapproval. Under the Constitution, an Ordinance shall cease to operate at the expiration of six weeks from the reassembly of Parliament, or if before the expiration of that period, Resolutions disapproving it are passed by both Houses, upon the passing of the second of those Resolutions. Where the Houses of Parliament are summoned on different dates, the period of six weeks shall be reckoned from the later of those dates.

- 3.5. Provisions have been made in the Rules of Procedure of the two Houses for laying of statements explaining the circumstances which necessitated promulgation of Ordinances so that members might make use of the same while deliberating upon them.
- 3.6 The Ministry of Parliamentary Affairs ensures compliance of various provisions of the Constitution of India and the Rules of Procedure and Conduct of Business in the two Houses of Parliament by arranging laying of copies of the Ordinances, requesting the Ministries to lay explanatory statements and providing time for consideration of Statutory Resolutions seeking disapproval of the Ordinances alongwith consideration of Bills seeking to replace these Ordinances. ### **CHAPTER - IV**

# GOVERNMENT BUSINESS IN PARLIAMENT AND TIME DISTRIBUTION

### At a Glance

- The Budget (Railways) for 2016-17 was presented on February 25, 2016
- The Budget (General) for 2016-17 was presented on February 29, 2016
- Forty-three Bills were passed by both Houses of Parliament

### **Government Business**

- 4.1 In a Parliamentary democracy, a major portion of work before the Parliament relates to government business. Planning of government business, therefore, assumes great significance. It becomes the responsibility of the government to see that the time for this purpose is wisely and effectively utilized. The Rules of Procedure and Conduct of business in the Lok Sabha and the Rajya Sabha provide that on days allotted for transaction of government business, that business shall have precedence and that business shall be arranged in such order as the Presiding Officers of the two Houses may determine in consultation with the Leader of the respective Houses. The function of planning and co-ordination of government business has been entrusted to the Ministry of Parliamentary Affairs. In the discharge of this function, the Ministry works under the directions of the Cabinet Committee on Parliamentary Affairs.
- 4.2 Almost the entire time when the Parliament is at work, barring the Question Hour every day and two-and-half hours on Fridays, is at the disposal of the government for government business. The government, however, readily agrees to provide time for consideration of topics of urgent public importance as demanded by members from time to time and recommended by the Business Advisory Committee of the two Houses.

### **Planning of Government Business**

4.3 Well before the commencement of a session of Parliament, all ministries/departments of the government of India are requested to intimate their legislative and non-legislative proposals for consideration during the ensuing session of Parliament. However, the programme for the session is not finalised merely on the basis of replies received from the different ministries/departments. The Ministry cross checks the information with the Legislative Department of the Ministry of Law & Justice to ascertain the position in regard to drafting of the Bills. Such meetings were held on 9th February, 2016 before the Budget Session, 2016, 7th July, 2016 of before Monsoon Session, 2016 and on 5th October, 2016 before Winter Session. Thereafter, the Minister of Parliamentary Affairs takes a meeting of Secretaries/Senior officers of ministries/departments before the commencement of every session to impress upon them the necessity of giving priority to the finalisation of legislative proposals and other items of government business. Legislative proposals which are not ripe enough and are not likely to be ready in time are dropped. Three such meetings were held -one meeting on February 9, 2016 before the Budget Session, second meeting was held on July 8, 2016 before the Monsoon Session and the third meeting was held on October 5th, 2016 before the Winter Session. During the period under report, the Minister of Parliamentary Affairs called the meetings of Leaders of Various political parties/groups to evolve mutual consensus on the agenda of the Session on 22.02.2016, 17.07.2016 and 15.11.2016. After having made a precise assessment of the government business, a Calendar of government business is tentatively drawn up for each session. During the period from 1.1.2016 to 31.12.2016, three tentative lists of government business were prepared and

made available to the Lok Sabha/Rajya Sabha Secretariats for circulation amongst Members of Parliament to enable them to have a broad idea about the bills/subjects that might come up in the session and to make preparation for participation in debates thereon.

- 4.4 In order to give members advance information of the government business to be transacted by both Houses of Parliament, the Minister/Minister of State of Parliamentary Affairs makes statements in Lok Sabha and Rajya Sabha at the last sitting in each week regarding government business to be taken up in the succeeding week. Eleven statements each in Lok Sabha and Rajya Sabha were made during the period under report.
- 4.5 (a) The process of planning the programme of government business does not end by making a forecast once a week. The progress of business is constantly and closely watched so that adjustments, if needed, could be made at short notice. In actual practice, such adjustments are required to be made from day to day. For this purpose, the Ministry supplies the order of government business for each sitting of the two Houses to the concerned Secretariat of Parliament for inclusion in the daily Order Paper. During the period under report, 84 Lists of Government Business for the Lok Sabha and 90 for Rajya Sabha were issued to the two Secretariats of Parliament in connection with transaction of government business.
- 4.5 (b) Business Advisory Committee, Lok Sabha and Business Advisory Committee, Rajya Sabha allot time for discussion of various items of government business in consultation with the Ministry of Parliamentary Affairs. During the year, notes were sent to the Lok Sabha/Rajya Sabha Secretariats for allocation of time in respect of 172 items (Lok Sabha 67 and Rajya Sabha 105).

### **Management of Government Business**

4.6 Management of government business is important and requires a lot of skill and dexterity on the part of the Minister of Parliamentary Affairs. As the Chief Whip of the party in power, he/she must at all times ensure the attendance of Members of his/her Party as also of allied/supporting parties, if any. He/she also keeps close and constant contact with the Presiding Officers, the Leaders, as well as Chief Whips and Whips of various parties and groups.

### **Resume of Government Business Transacted**

### (i) Legislative

4.7 A total of 65 Bills (11 Bills in the Lok Sabha and 54 Bills in the Rajya Sabha) were pending at the conclusion of 6th Session of Sixteenth Lok Sabha and 237th Session of Rajya Sabha. 42 Bills (40 Bills in the Lok Sabha and 2 in the Rajya Sabha) were introduced in two Houses during the period under report, making a total of 107 Bills. Out of these, 43 Bills were passed by both the Houses (Appendix-II). 4 Bills (2 each in Lok Sabha and Rajya Sabha) were withdrawn. A total of 60 bills (20 Bills in the Lok Sabha and 40 Bills in the Rajya Sabha) were pending in both Houses of Parliament at the conclusion of 10th Session of Sixteenth Lok Sabha and 241st Session of Rajya Sabha as indicated in Appendix –III.

### (ii) Financial

4.8 Rule 204 of the Lok Sabha Rules provides that the annual financial statement in terms of Article I I 2 of the Constitution, popularly known as the "Budget", shall be presented to Parliament on such day as the President may direct. The Central Government Budget is presented in two parts – Railways and General. The former is presented about two to three days earlier than the General Budget, which is normally presented on the last working day in the month of February. The State Budgets in respect of States which are under President's rule are also presented. The Budgets are presented to the Lok Sabha when the Ministers-in-charge of Railways and Finance read their Budget speeches. In the Rajya Sabha, the annual financial statements are laid, usually after the completion of speeches of the ministers in the Lok Sabha.

4.9 One of the important decisions taken during the Budget Session, 1993 was to set up Department related Parliamentary Standing Committees to scrutinize, inter-alia the demands for grants of various ministries/departments before these are discussed and voted in the House. The other functions of the Standing Committees include examining bills referred to them by the Chairman or Speaker, annual reports of ministries and basic long term policy documents presented to the Houses and referred to them by the Presiding Officers.

### (iii) Budget

- 4.10 A statement giving the dates of consideration of the Railway and General Budgets, during the period from 1.1.2016 to 31.12.2016 is appended (Appendix IV).
  - (iv) Other Official Business

### **Motion of Confidence in the Council of Ministers**

- 4.11 The usual procedure to express want of confidence in the Council of Ministers is through a motion of no confidence under Rule 198 of the Rules of Procedure and Conduct of Business in Lok Sabha. The device of confidence motion is of recent origin. There is no rule in the Rules of Procedure relating to Motion of Confidence in the Council of Ministers. The requirement of moving such motion was perhaps not visualized at the time of framing of Lok Sabha Rules. The necessity of raising debate through such a motion, which is in the nature of an exercise of demonstrating majority support in the Lok Sabha, arose in the late seventies with the advent of minority Government caused by split in parties and later formation of coalition Government as a result of hung Parliaments. In the absence of any specific rules in this regard, such Motions of Confidence have been entertained under the category of motions stipulated in Rule 184 which are meant for raising discussion on matters of public interest. Discussion on such motions are taken under Rule 191 by putting before the House all the necessary questions.
- 4.12 The first such Motion of Confidence was moved by Shri V.P. Singh, the then Prime Minister on December 21, 1989, in the Lok Sabha, which was adopted by the House by voice vote on the same day. A statement showing eleven motions of confidence so far moved is annexed (Appendix-V).

## **CONSULTATIVE COMMITTEES**

#### At a Glance

- 35 Consultative Committees are functioning for various Ministries.
- 94 meetings of Consultative Committees were held during the period from 01.01.2016 to 31.12.2016.

#### **Historical Background**

- 8.1 The present Consultative Committees of Members of Parliament and their broad features, owe their origin to a suggestion by the late Prime Minister Shri Jawaharlal Nehru in 1954 in a note circulated to the Members of the Cabinet. Shri Nehru wanted some kind of Standing Advisory Consultative Committees of Parliament to provide opportunity to Members to have some glimpse into the working of the Government which would also have the effect of reducing the number of questions asked by Members. Accordingly, Informal Consultative Committees were constituted for various Ministries/Departments of the Government of India in the year 1954.
- 8.2 In 1969, discussions were held with Leaders of Opposition Parties/Groups in Parliament and detailed guidelines were drawn up for constitution and functioning of these Committees. It was also then decided that these Committees would be known as "Consultative Committees" retaining, however, the informal nature of deliberations in these Committees. Since then several decisions were taken and certain conventions were evolved and there was a need to revise these guidelines. In the meeting of Chief Whips/Whips/Deputy Leaders of various political parties in Parliament held under the Chairmanship of the Minister of Defence and Leader of the House (Lok Sabha) on 21.7.2005, revised guidelines incorporating these decisions and conventions were finalized which were also approved by the Cabinet on 02.09.2005. These Committees have, since then, been functioning under these guidelines (Appendix VII).
- 8.3 The main features of these Committees, as per Guidelines, are as under:
  - i. The membership of these Committees is voluntary and is left to the choice of the Members and the Leaders of their Parties.
  - ii. The main objective of these Committees is informal consultation between the Government and the Members of Parliament on the policies and programmes of the Government and the manner of their implementation.
- iii. The Committees are chaired by the Ministers in-charge of the respective Ministries to which the Committees relate.
- iv. The maximum membership of a Committee is 30. The Committee is normally constituted if there are 10 or more Members who have chosen to be nominated on the Committee.
- v. Members can be nominated as Permanent Special Invitees on a Consultative Committee if they have special interest in the subjects of a particular Ministry/Department. A maximum of 5 Members can be nominated as Permanent Special Invitees on a Consultative Committee. Permanent Special Invitees are, however, not entitled to TA/DA for attending the meetings of the Consultative Committees.
- vi. Six Meetings of the Committees should normally be held during a year three meeting during

- Session periods and three meetings during Inter- Session periods. Of the six meetings of the Consultative Committee in a year, it shall be mandatory to hold four meetings three meetings during inter-session period and one meeting either during session or inter session period.
- vii. Agenda items are either called from Members or decided by the Ministries themselves in consultation with the Members of the Committee.
- viii. Members, who are not Members of a Committee, may be invited to the meetings of the Committee as special invitees, with the approval of Minister of Parliamentary Affairs, if any subject given notice of by them for consideration in the meeting, has been included in the agenda or if they express desire to participate in the discussion of any meeting of such Committee.
- ix. No decisions are taken by these Committees. However, where there is unanimity of view in the Committee, Government will normally accept the view subject to certain conditions laid down in the guidelines.
- x. Senior Officers of the Ministries are present at the meetings to assist the Ministers and to furnish any clarifications required.
- xi. In keeping with the informal nature of discussion at the meetings, the guidelines make it incumbent on the Members and also on the Government not to mention on the floor of either House about anything that happens in the meetings of these Committees.
- xii. No Sub-Committee of a Consultative Committee shall be constituted.
- 8.4 Consultative Committees are normally constituted after a new Lok Sabha is constituted, after general elections for the Lok Sabha. Total 35 Consultative Committees have been constituted for various Ministries for the 16th Lok Sabha (Appendix -VIII).
- 8.5 The details regarding the meetings of the Consultative Committees held during the period under report and important subjects discussed therein are given in **Appendix-IX**.

# GUIDELINES FORMULATED IN SEPTEMBER, 2005 TO REGULATE THE CONSTITUTION AND FUNCTIONING OF THE CONSULTATIVE COMMITTEES FOR VARIOUS MINISTRIES AND DEPARTMENTS.

### I. Preamble

An informal Consultative Committee system for various Ministries/Departments of the Government of India was instituted in 1954. It was given a formal shape in April 1969 with the issue of Guidelines to regulate the constitution and functioning of the Consultative Committees for various Ministries and Departments, in consultation with the Leaders of Opposition Parties/Groups.

### 2. Objectives

- To create awareness among the Members of Parliament about the working of Government.
- To promote informal consultation between the Government and the Members of Parliament on policies and programmes of the Government and the manner of their implementation.
- To provide an opportunity to Government to benefit from the advice and guidance of the Members of Parliament in relation to policy matters and implementation of programmes and schemes.

### 3. Constitution and Dissolution

- 3.1 Consultative Committees will be constituted for all Ministries/Departments of the Government of India, as far as possible. The Government will decide the composition of these Committees with due regard to the respective strengths of various parties in Parliament.
- 3.2 A Consultative Committee will have a minimum membership of ten and a maximum membership of thirty.
- 3.3. The membership of Consultative Committees is voluntary. A Member of Parliament desirous of serving as a Regular Member on a Consultative Committee shall send her/his request (in the enclosed proforma) providing options of Consultative Committees for three Ministries/Departments in order of preference to the Leader of his Party/Group in the Lok Sabha/Rajya Sabha, except Nominated Members and Members of small parties/groups (with less than five Members) who may send her/his preferences directly to the Ministry of Parliamentary Affairs. The Leader of the Party/Group will, in turn, after due consideration, forward her/his recommendation to the Ministry of Parliamentary Affairs. A Member of Parliament can become a Regular Member of only one Consultative Committee at any point of time.
- 3.4 Members of Parliament may also be appointed as Permanent Special Invitees on a Consultative Committee if they have special interest in the subjects of a particular Ministry/Department. A Member can be nominated as Permanent Special Invitee on one Consultative Committee only. However, such a Member will not be entitled to any TA/DA for attending the meetings of the Consultative Committee. A maximum of five Permanent Special Invitees will be allowed on each Consultative Committee.

- 3.5 The Ministry of Parliamentary Affairs will notify the membership of a Member of Parliament on a Consultative Committee taking note of the vacancy position and the preference of the Member of Parliament, on a first come first served basis.
- 3.6 A Member who is neither a Regular Member nor a Permanent Special Invitee may be invited to a meeting of the Consultative Committee as a special invitee if she/he has given notice of a subject for discussion and it has been included in the agenda or if she/he expresses her/his desire to participate in the discussion on agenda item(s) notified for the meeting of the Consultative Committee and her/his request has been approved by the Minister of Parliamentary Affairs. However, such a Member will not be entitled to any TA/DA for attending the meeting of the Consultative Committee.
- 3.7 A Regular Member of the Consultative Committee shall be entitled to receive TA/DA for attending the meetings held during Inter-Session period as per her/his entitlement.
- 3.8 The Minister in-charge of the Ministry/Department shall preside over the meeting of the Consultative Committee attached to her/his Ministry/Department. Whenever, for exceptional reasons, the Minister in-charge is not able to preside over the meeting already convened, it will either be presided over by the Minister of State of that Ministry/Department or it will be postponed.
- 3.9 A Consultative Committee may be dissolved if its membership falls below ten due to retirement/resignation of member(s). The remaining Members of such dissolved Committee will be requested to indicate their preferences as prescribed in paragraph 3.3 above for their nomination on the Consultative Committees where vacancies exist.
- 3.10 The Consultative Committees shall stand dissolved upon dissolution of every Lok Sabha and shall be reconstituted upon constitution of each Lok Sabha.
- 3.11 Ministry of Parliamentary Affairs will notify the constitution of Consultative Committees.

### 4. Functions and Limitations

- 4.1 The Consultative Committees provide a forum for free and open discussion on the policies, programmes and schemes of the concerned Ministries/Departments in an informal environment.
- 4.2 Members of Parliament are free to discuss any matter which can appropriately be discussed in Parliament. It would, however, not be desirable to refer on the floor of either House of Parliament to anything which might have taken place in a meeting of a Consultative Committee. This will be binding on both the Government and the Members.
- 4.3 The Consultative Committees will not have the right to summon any witness, to send for or demand the production of any file or to examine any official record.
